Dear Penfabricans,

I am delighted to inform you that PVH presented Penfabric with the PVH 2016 Sustainability Award for Exceptional Performance in Driving Sustainability and Social Responsibility.

PVH organized a convention at Chiang Mai, Thailand, from May 16 to 19, 2017. The purpose of this convention was for all the core PVH suppliers to meet the top management of PVH Global Supply Chain. Thus, this congregation was named : 2017 Supply Chain Partner Summit. 500 people from all over the world consisting of core PVH vendors and PVH associates, attended this convention to review the past performance and chart their future with the business. Do get to know our most important dress shirt fabric buyer PVH, a global USD 8.2 billion

In the mean time, I am indeed overwhelmed and humbled by the recognition given to our Sustainability efforts by PVH, a global company with very famous global brands including Calvin Klein, Tommy Hilfiger, Izod, Warno Group, Speedo and many others. I owe this award to all Penfabricans who had so diligently practised the Green and Sustainability efforts. I would like to express my sincere thanks and appreciation to each and every Penfabrican who contributed in one way or another to this remarkable achievement. Thank you.

Sustainability and Green efforts are ongoing and these have to be strictly carried out each day in all our daily activities for further improvements. With this recognition, Penfabric is basking in international acclaim together with the great name of PVH and her brands. All Penfabricans must be very proud of this worldwide recognition. We are on the world stage now. Savor our success. Do more so that we will also be on the world stage in other areas as well, such as Technology, Quality, Innovation, QR and On-Time Delivery.
