

SGA Assembly Awards for October-November 2017

Penfabric Mill 4 held one short assembly to distribute the SGA prizes on 19th December 2017

This SGA assembly was conducted by Ms Nor Syazana as a Master of Ceremony (MC).

Mr SP Ong, the Mill Manager, gave a short speech on the benefits of SGA Suggestion. He asked all employees to support this platform and come out with new ideas for improvement in the working environment to increase quality and productivity to compete with competitors.

Ms Nor Syazana reported the summary of SGA ideas received for the month of October and November 2017. We received a total of 24 SGA suggestions. The prizes are as below:

Excellent – 3 suggestions: RM300/each

- i) Finishing: Changing RV949 White Orders from 2 Steps to 1 Step
- ii) Bleaching : Reduce the usage of Borax at PVA
- iii) Engineering : To convert PSD4 Hot Water from independent to centralised system

Very good – 4 suggestions: RM100/each

- i) Make Up: To Auto Capture Carton Weight at Packing Section
- ii) Engineering : Utilize New Type Bearing & Polyamide Block for Wet Area
- iii) Finishing : Machine Repair by Production People
- iv) Bleaching : Save Water and Chemical at CBR D4

Good – 17 suggestions: RM50/each
