

A Factory visit to Penfabric Mill 4 by JPK, Malaysia (Malaysia Human Resources Skill Development Centre) on 23rd April 2018 which was attended by delegates from MTMA, MKMA and MATEC. The Deputy Director of JPK, Tuan Hai Suimi expressed his thanks and appreciation to our MD, Mr HS Teh for allowing them to visit the factory and vowed to provide the relevant skill training programs to support the textile industry and he has impressed with the advance use of IT tools ie RFID, IoT, digital management, etc in the management of the factory.
