

TESTEX CEO visits Penfabric

Testex CEO -Mr Serge Rolle together with the Asia-Pacific General Manager (Mr TH Chan) and General Manager in Malaysia, Ms Cynthia Lum, visited Penfabric to share with us latest update about Testex Group.

Testex is an independent Swiss testing and certification organisation operating worldwide with the focus in textile testing. Most importantly, they are the owner of Oekotex where we have been certified with Oekotex STeP..

A pewter plate was given by Mr Rolle to Mr Teh in appreciation of Penfabric support and partnership to Testex & Oekotex in the past 22 years.

We have requested Testex to work out more advertisement or promotion to bring more awareness to end buyer about STeP so that the final garment made from our fabric can bear the Make In Green tag.

Thank you
