

PENFABRIC RECRUITMENT INITIATIVE

Despite waiting for new talents to come to our premises for interview and recruitment, on 11th November 2018 , Penfabric Mill 2 & 4 have jointly made an effort with collaboration of Sekolah Menengah Kebangsaan Jalan Paya Besar in Lunas, Kedah for this Penfabric Recruitment & Outreach Program.

This is a pilot program to promote Penfabric and its available vacancies at the rural areas with the assistance of the principal, teachers, counselors and students to their family members, friends and neighborhood of their residential areas.
