

## SGA Assembly Awards for November December 2018

Penfabric Mill 4 held one short assembly to distribute the SGA prizes on 1<sup>st</sup> March 2019.

This SGA assembly was conducted by Mr Areeb as a Master of Ceremony (MC).

Mr SP Ong, the Mill Manager, gave a short speech on Safety and Productivity. First of all, he explained an accident happened in Mill 1 and requested all the employees to be more cautious and follow basic safety rules in order to achieve Zero Accidents at workplace. He also informed our production did not meet target in the past 11 months, so he requested everyone to work towards achieve target on last month of financial year, March 2019.

Mr Areeb reported the summary of SGA ideas received for the month of November and December 2018. We received a total of 29 SGA suggestions. The prizes are as below:

Excellent – 2 suggestions: RM300/each

- i) Engineering: Repair & Recondition back pad dry hot flue radiator
